Dear Sirs,

As a tax payer, I strongly object your proposals. Why I pay lot of tax but can't enjoy any from the Government? There is a lot of wastage from your Bureau and the entitled Government, and if you can reduce the wastage just a little bit, we (the tax payers) shall not have to pay more.

Also, I think most of the middle class has our own insurance for our future, YOU, as a Government, shall focus on how to help the poor but not asking money from the whole society.

A Tax Payer
