Dear Mr. Donald Tsang, Food and Health Bureau Director and Healthcare Reform Consultation Management,

Please do not perplex the people and require further money from us. We cannot pay more. There will chaos and protests from streets that we cannot afford.

There are too many many dumpling organizations/institutions using our resources while they are doing such little advantages or none. You must cut off a lot of them and conduct strict surveillance, such —·a ¢ -C, -a-E-@

.....

And please do not expand the government scale and keep it minimal that is the best to society and citizens.

Please use our money and savings wisely and sparely and keep MEDICAL CARE fee as usual and that is the current policy carried for many seasons to Hong Kong people. It will be adequate.

That is your job will be done.

Thanks for your attention.
