Subject comments on medical reform

Urgent     Return receipt     Sign     Encrypt

Dear Sir/ Madam,

To respond to the government's urges in recent years, large proportion of middle-class including professionals like doctors, lawyers and teachers has already bought private medical insurance. For the coming medical reform, here, I voice out for the middle class and urge the government will take care of people who have bought medical insurance and will not add extra burden to them.

Yours faithfully,  
Yvonne
