Theme: We Should Try To Build Up A More Comprehensive and Integrated Plan  
Which Can Help To Ensure That Our Best of The Best Medical Manpower Can Truly  
Serve and Reciprocate Our Community Within The Real and Monetary Resources  
That Our Community Can Afford. "The Six Plans in The Consultation Paper" Have  
ONLY Mentioned The Projected Needs of Fastidious Inflating Monetary Aspects , But "They"  
Have Not Mentioned How To Match The Suggested Money Needed With The  
Real Medical Manpower Who Are Needed To Serve The People Our Small Hong Kong  
SAR.

00. Thank you very very much for **All The Excellent Medical Services** Supplied To (i)  
All Hong Kong Citizens and (ii) Our Visitors and (iii) All The Pitiful Refugees Passing  
Through Our Small Hong Kong in the Previous One Hundred and Twenty Plus Years  
From **Her Majesty Queen Victoria's Hong Kong Government** in the Nineteen Century  
AD When Our Beloved Dr Sun Yat Sin Was Being Trained Through **Her Majesty**

**Queen Elizabeth The Second's Hong Kong Government** When We Have Our Own **Hong Kong Medical Department and The Hospital Authority To Our Hong Kong SAR China** In Line With The Morally Correct Humane and Christian Merciful National Health Services For All Mankind in Our Small Hong Kong SAR China Similar To The Best of The Best Morally Correct Humane and Christian Merciful National Health Services Since The 1950s AD In The Christian Merciful and Socially Responsible Spirit For All Mankind in The United Kingdom of The Great Britain and Northern Ireland of Her Majesty Queen Elizabeth The Second.

**01. Thank you very very much Also For The Consultation Paper** “Building a Healthy Tomorrow”<sup>1</sup> Discussion paper issued by the Health and Medical Development Advisory Committee (HMDAC) in

July 2005 on the future service delivery model of our healthcare system At this first stage consultation.

**02. On one hand, Apparently Speaking, it is Statistically Correct To Say in C.4 That “Public healthcare is predominantly funded by the Government through general taxation.”**

- But, The Other Sentences in C.4 Are Only Partially Correct.
- Indeed, The Sentences such as “**However, Hong Kong has one of the lowest tax regimes among developed economies. There is no sales tax and the highest progressive rate for Salaries Tax is only 17% (for the financial year 2007/08). Salaries tax is further capped by a standard rate of 16% (for the financial year 2007/08) and will not exceed the amount charged by applying the standard rate to the net total work-related income.**”
- Can Only Describe “**Some Apparently Visible and Partially Measurable Parts of The Whole Pictures of The Real Sources of Our Recurrent Public Healthcare Funding System.**”

**03. {** Indeed, On the other hand, The Consultation Paper Has Never Used Any Words To Mention That

- (A) it is also Crystal Clear That “**Many Many if not All including Both More Greedy and Basically Helpless Home-Owner Mortgagors in Hong Kong**” Need To Pay “**50% or more of their Salaries**” (i) Directly To “**The Immoral Though Legal Developers and Agents and Money-Lenders in The Forms of The Super-High Monthly Installments**” and (ii) Indirectly To “**The Invisible Private-Home-Owner TAX of Our Small Hong Kong SAR Government**” in the forms of “**The Invisible Non-Recurrent Super Highest Land Prices Sold in Public Auctions Prepaid By Developers Which May Probably Be Amounted To 10% of Their Monthly Salaries and/or 20% of The Super-High Monthly Installments Directly Paid To The Mortgagees Who Are Usually Mammon-Worshipping Monetary-and-Profit-Maximization-Oriented Intimate Parters of The Humanly Immoral Though Legal Mammon-Worshipping Developers**”; And
- (B) It is Also Crystal Clear That “**The Immoral Though Legal Highest Monetary Profits of The Developers and Agents**” Are (I) The Main Sources of Our

Government's Recurrent Lowest Rate TAX Revenues Already With Hundreds of Billions Dollars Surpluses and Government Reserves Mainly From Prepaid Land Sales in Public Auctions in The Previous Few Decades ; and (II) The Vicious Cycles of “The Super-High and Still Inflating Salaries of The Intimate Employees of The Developers” Being Used As Official Criteria of “The Fastidious Inflating Trends of The Super-High and Still Inflating Salaries of Our Most Beloved Government Servants Especially The Senior Government Secretaries and Decision-Making Officials and Their Humanly-Sinful-Self-Interest-Oriented Selfish Though Legal Vested-Interests and Fringe Benefits”; and (III) “The Apparent Mammon-Worshipping Monetary Growth of Our Monetary GDP” But “Continuous Widening of The Odyssey Between Rich Minority and Poor Majority and Increasing Amounts of Material Wastages Owing To “The High Pricing System For Profit Maximization Serving The Richest Minority While The Poor Majority Do Not Have Enough Money To Buy The Immoral Though Legal Over-Priced High Price Products including Some Daily Necessities and Foods and Bread of Many Chain Shops”. Indeed, After Earning The Maximum Monetary Profits Through Selling The Target Amounts of High Pricing Products To The Richest Minority, Many Chain Shops' Managements Prefer To “Throwing Away All The Rest of Products and/or Eatable Foods Unsold As Rubbish In Some IMMORAL Ways” Than “Selling The Unsold Eatable Foods Necessitate To The Poor Majority At Some Lower Prices In Some Morally Correct Ways” Because They Are Afraid That Some Rich Midas May Not Buy The High Price Products Again and Hence, “Lower Sale At High Prices” Will Do Much Harm To Their Mammon Worshipping Profits.

**04. Moreover, What Being Mentioned in C.5 is Not Really Wholly Statistically Correct.**

- First of all, Our Original Tax Base is **Very Very Wide** and **Morally Quite Correct**. All Hong Kong Citizens With The Exceptions of Those Who Are Sleeping in “the Open Spaces For Public Use” DO HAVE TO PAY “The Indirect Taxes of RATES and/or Land Rents” For The Locations They decently Dwell In.
- Similarly, Think Our Wireless TV Programmes. Apparently, we do not need to pay directly for The Station Fees. In fact, We Do have To Pay **The Invisible Fees Indirectly Through**
- (a) **The Higher Prices of Many Non-Essential Over-Advertised Consumer Products Especially Unhealthy Junk Foods and Non-essential Low Real value But Expensive Items That Are Very Attractive To Ordinary Children and Women and Greedy Speculators and**
- (b) **General Direct and Indirect Taxes For The Super-High Salaries of Our Government Servants and Out-Sourcing Production Agents of Our RTHK as A Government Department .**

**05. In addition, The tax threshold arising from the various tax allowances Are Only Reasonable But Not Too High.** For Example, In “**A Christian Morally-Correct Traditional-minded Modern and Scientific Humble Chinese Family of Three Generations of Six Members** including Two Grandparents, Two Parents, and Two Children”, The Father is usually “The Only Money-Earner of The Whole Family”. That is “One Working Population”

Supports “Five Other Dependents”.

- Therefore, it is **Morally Correct** For Our Small Government of Hong Kong SAR to Ensure “**The Only Working Population of The Whole Family Has Been Given Reasonable Amounts of Tax Allowances To Survive**”
- **For example : Our Beloved Donald Tsang** (The Third Term Chief Executive)'s **Father** is A Humble Hong Kong Policeman. **He Singly Supports The Whole Family**. As He is Serving in Sha Tau Kok Police Station, He Has Been Given Some New Territory Benefits. However, He Cannot See His Wife and Children Everyday. As A Result, **With The Teachings of Our Reverend Fathers and Sisters in Churches** and The Stable and Super-Low Rent Environment of Our Police Home Quarters in Western District, Our Tsangs' Children Have Been Nurtured To Be **Faithful and Fortified and Persevere Christian**. Our Beloved Donald Has Followed His Father's **Instructions** and Made **Good Use of The Writing Skills** That His Teachers Have Taught Him To Use Written Words To Write Weekly Report To Inform His Father His Daily Life. Indeed, His Father Does Not Have Enough Money To Send Donald To England For Further Studies Because There Are No UPG in the 1960sAD. Therefore, He Has To Work For Our Hong Kong Community First From The Beginning of 1967 AD Before Our Hong Kong Community Rewards Him With The Tuition Fees and Fringe Benefits Fourteen Years Later To Be Trained in Harvard and Jumping Up To The Higher Master Degree Direct in 1981 AD Because “His Performance As Assistant Financial Secretary Being Specially Instructed By Our Most Respectable Professor Equivalence in Economics Our Late Financial Secretary Sir Phillips Haden Cave” Has Probably Been Recognized As “Honourable Bachelor With Related Working Experiences in The Fields of Economics” .
- In a word, “This Excellent and Real Experiences of **Our Beloved Faithful and Fortified Chief Executive Donald Tsang and His Humble and Clean Policeman Father and All Family Dependents**” Can Prove Vividly That “**Our Tax Allowances For The Dependents of Many Families in Our Small Hong Kong**” Are Just “**Barely Enough For The Whole Family of Six To Live In Some Humbly Poor Self-subsistent Ways**”.
- Indeed, it is also noticed that **There Are more than 1.5 Million People** Who are Still Living **in Some Materialistic Poverty**
- Although At The Same Time **There Are Also 500000 or more Richest People** Who
- (a) **have Their Own Homes and Money and lots of Personal Effects** and
- (b) **Are Very Interested In Morally Incorrect** Though Legal **Speculations To Make More Money** and
- (c) **Do Not Know** That “Their Humanly Sinful and Basically Immoral Self-interest-Oriented Selfish Though Legal Speculative Activities in The Names of Monetary Investments Contributive To The Hideous Though Legal Vicious Cycles of GDP Monetary Growth” Can ONLY Benefit “The Already Rich Minority and Government Officials and Listed Companies” BUT Are Both (i) At The Expense of The Poor Majority and (ii) Physically **Harmful To The Environment** and **Spiritually Harmful To Human Community** Through Making More and More Human Fellow Creatures Both Rich and Poor To Be Slaves of Monetary Mammon.

06. Studying **The Recurrent Private Medical Funding Sources**, it is not difficult for “**ALL TRULY THOUGHTFUL AND CONSIDERATE HUMAN FELLOW CREATURES**” to

notice that

- **“Many if not All of The So-Called Middle Class (indeed Monetary Poor After Being Forced To Pay The Super-High Monthly Installments as Some Kinds of Double-Invisible Taxes mentioned earlier in C4) People” Have Already Been Over-Squeezed In The Forms of**
- (a) Out-of-pocket ; and/or
- (b) Voluntary Insurances **Mainly Buying For Supporting Family Relatives Working In The Insurance Companies and Needing To Fulfill Minimum Quotas** Rather Than Truly Voluntary; and/or
- (c) **Being Forced To Contribute With The Employers as Some Kinds of Co-Contributive Medical Insurances** Rather Than 100% Employers Paid Real **Medical Benefits**. Indeed, “many if not all Out-Sourcing Employees Doing The Same Public Services Done in the past by Government Servants” **Do Not Have Any Rights To Have FREE Government Servants' Medical Benefits**. (These Apparent Exploitations (i) **Have Helped Our Government Senior Officials To Save All The Then Monetary Responsibilities of A Good Small Government In Some Immoral Though Legal Ways** and (ii) **Have Created An Immoral Though Legal Excuse To Increase The Already Super-High Salaries of The Government Seniors and Decision-Makers and More Holidays For More Government Servants in Some Relatively More Unfair Though Legal and Statically Better Ways in Macro-Terms For Real Government Servants**.)

07. All in all, the consultation paper Have Been **Completely Tied Up As Some Kinds of Monetary Slaves**. BUT, We MISS **THE MOST IMPORTANT POINT OF CONSULTATION**. That is **THE MANPOWER**.

- Perhaps, Our Third Term Government Have Told Our Small Hong Kong SAR That Our Ten years Hong Kong SAR Have Made Our Well-Established Education-And-Manpower Bureau To Become A Partial Failure.
- Or, Does it mean that From This Third Term Government, Our Education-and-Manpower-Bureau Have Been Downgraded To Be Our Recurrent Less-Capable Education Bureau Without Any Capability To Plan and To Ensure That Our Contemporary Young People Will Be Sufficiently Well Trained To Be Future Suitable Manpower in **The Christian Ideals of Services With Charity Love and The Truth In “Knowledge is Power”** Just As We Could Educate and Well Train Our Young People Then in The Previous Decades To Be Contributive Manpower To Our Community Spiritually and Economically With Success in The Previous Decades in Terms of Full Employment and/or Super-low Rates of Unemployments and/or Relatively Stable Rates of Low Inflation ?
- Or, Does it mean that **Our Teaching Professionals and Managements and Government Senior Officials and Decision-Makers** Have Already Followed **The Immoral Though Legal Trends of The Humanly Immoral Though Legal Profit-Maximization-Mammon-Worshipping Commercial Practice** and **Have Become More and More Humanly-Sinful and Mammon Worshipping** and Will Not Be Ready **To Serve** The Poor Majority **With Love as in The Teachings of Our Lord Jesus Christ and Traditional Chinese Morals** (i) To Help The Compatriots and Visitors (Then Chinese Thought Visitors Were Barbarians) Who Are In Need ; and (ii) **To Reciprocate Our Parents And Grandparents in Filial Pious Ways and To Nurture Our**

## Own Children and Poor Foundlings ?

08. All in all, to my humblest way of thinking, **it is of the greatest importance for all human fellow creatures to understand** that “In Macro-Terms, **Our Community as A Whole** Cannot USE More than **Our Community Can Produce At This Moment Plus Our Previous Savings Minus The Parts That We Should Set Aside As Contemporary Savings For Future Use.**

- We Can Save Money in Various Forms For Future Use Provided That The Human Fellow Creatures Accept The Values of The Said Money. But We Cannot Save Human Services For Future Use.
- Therefore, It is **INSENSIBLE** For Our Small Government and Our Community **To Discuss Only The Monetary Saving Plans of All Kinds** Which (i) **Will Probably Benefits The Contemporary Monetary Speculators More Instantaneously** and (ii) **Will Worsen The Fastidious Monetary Inflation** and (iii) **Will Force More People To Borrow More Money To Buy Their Necessities After Being Forced To Pay Any Kinds of Mandatory Monetary Schemes** Which Will (a) **Only Benefits The Concerned Monetary Speculators Directly** and (ii) **Our Senior Government Officials and Decision Makers Indirectly Through The Fastidious and Planned Inflation** Which in turn **Will Make The Savings Set Aside For Future Use Always Insufficient.**
- It is because **These Kinds of Speculation-Oriented Monetary Systems** Can Only **Force All People To Live In Helpless and Insecure and Continuously Fluctuating and Inflating and Slumping Instants of Continuous Stresses.**
- Nevertheless, We Can Always Solve All Kinds of Man-made Fastidious Monetary Problematic Arrangements if we can Stick To **Morally Correct Traditions Manpower-Oriented Programmings**, That is, (i) **We Should Reciprocate Our Parents and Grand Parents**, And (ii) **We Should Nurture Our Children and Grand Children** And (iii) **Our Community Should Help All Working Adults To Be Sufficiently Hardworking Individuals To Earn Enough To Support The Whole Family.**
- It is Also understood that City Life and Country Life Are Very Different. In The City, we do not produce Our Daily Necessities For Survival. Indeed, **All City Dwellers Are Basically Dependants** of Food Producing Rural Farmland and Cultivated Land.
- Therefore, We Should All Work Hand in hand. **In a word, “Diligence and Knowledge As A Whole” is “True Power” and With Which “We Always Can Find Plenty in Our Heavenly Father's Storehouse.”**
- Besides, **More money in any forms Will ONLY lead To Fastidious Vicious Cycles of Inflation Harmful To Our Community** if The Supplies of Products and Services Are Limited and Cannot Be Increased.
- It is A Fact That Every Human is Growing Old and Will Be Senile and Will Die From (i) **Helpless At The Moment of Birth From Mother's Womb Needed To Be Nurtured By Parents and Grandparents or relatives or any kind-hearted authorized adults**; Through (ii) **Maturing To Be Strong (a) To Reciprocate The Concerned Parents and Grandparents and Seniors and (b) To Nurture Their Children and Grand Children** ; To (iii) **The Ageing Helpless Senile Needed To Be Reciprocate By Children and Grand Children Who Are Sufficiently Strong To do so.**

- That is, if there are few old people, young people will have more free time for individualized activities. If there are more old people, young people Should Use More Time To Reciprocate The Old People.
- Remember : Money or Additional Money Cannot Do The Services. But Money Will Make All People Become Slaves of Mammon.
- Only Sensible and Responsible Human Who Are Sufficiently Strong Can Help The Helpless. For Example : TVB News Reports Have Once Informed Our Community That A HKU Woman Geography Professor Did Decide To Give Up Her Teaching Jobs For Reciprocate Her Senile dementia Mother Who Was Also A HKU Woman Geography Professor When She Was Young many years ago. As a result, The Monetary GDP of Our Small Hong Kong SAR Has Been Lowered By Millions of Hong Kong Dollars. But **Our Hong Kong as a Whole is Happier.** It is Because Our Sufficiently Strong Daughter HKU Professor Understands The Truth in Morally Correct Filial Piety. Therefore, She Has Refrained To Earn The Non-Essential Millions Dollars Though The Speculators and Agents May Lose A Monetary Source To Give Them Money and Commissions For Monetary Speculations in The Names of Investments Which Indeed Will Do MORE HARM THAN GOOD to Our Community As A Whole Through Fastidious Inflations and Continuous Fluctuations of Fastidious Inflations and Slumping Recessions.
- Indeed, There Are Thousands and Thousands Similar **Humane True Stories** In Hong Kong Among The Poor Majority and The Over-Squeezed Middle Classes. Therefore, Our Community Should Help Through Our Truly Responsible Humane and Less-Monetary-Dependent Human Fellow Creatures Especially Our Elected Legislative Councilors With Voting Power To Enact Sensible Laws To Protect Our Community so that “Our Community Will Not Be Forced To Become Slaves of Mammon”; and so that “Our Community and Every Individual Can Understand Our Responsibilities as in The Above-Mentioned Morally Correct Traditions Manpower-Oriented Programmings, and The Vivid Examples in Our Chief Executives Mr Donald Tsang and Our Senile dementia Mother and Strong Daughter HKU Woman Geography Retired Professor and Senior Lecturer, and Thousands of Equally Affectionate Humane Experiences **Which Have Decreased Billions of Mammon Worshipping Monetary GDP Growth** But Have Increased **The True Happiness As Humane Community With The Truth in Our Christian Scientist Bacon :** “Diligence and Knowledge As A Whole” is “True Power” and With Which “We Always Can Find Plenty in Our Heavenly Father's Storehouse” Independent of **The Immoral** Though legal **Monetary Mammon and All The Related Harm To Our Community In Forms of Fastidious Inflations and Continuous Fluctuations of Fastidious Inflations and Slumping Recessions.**

09 I Do Also Hope that In Our Lord Jesus Christ, with the Holy Spirit, All Can Be Perfect Because Our Father In Heaven is Perfect. (St Matthew Ch5 Verse 48) Amen Amen Amen.

10 Remember Adam Smith says : “No society can surely be flourishing and happy , of which the far greater part of the members are poor and miserable .” Therefore, Let “Our Chief Executive and Our senior Government Officials” Lead All of Us to make “the Continuous Widening Gap

between the Rich and The Poor” narrower with “Pragmatic and Morally Correct Actions” .  
Certainly, “the most important point that every one of us should try our very best to realize” is  
the Real Truth in the words “WE ARE ONE FAMILY.” Amen Amen Amen.

11. On This Happiest Children's Day 2008 Anno Domini , I am pleased to say  
“Special Prayers for the Solidarity among all Human Fellow Creatures” so that  
all of us especially “all the Well -educated Professionals with better Senses of  
Humanity” can really Live Up to “the Genuine Truth in the Words of His Holy  
See The Holy Father Pope John Paul The Second(1920-2005AD), Concern for the  
Social Order (1987AD)” :

“Solidarity is not a feeling of vague compassion or shallow distress at the  
misfortune of so many people, both near and far.  
On the contrary, it is a firm and persevering determination to commit oneself to the  
common good : that is to say, to the good of all and of each individual, because we  
are all really responsible for all .” ;

and so that we all can realize the Truth in the Words of the Prayers of Saint Francis  
Assisi.(1181-1226AD) :

Lord,make me an instrument of Your Peace;  
where there is hatred, let me bring love;  
where there is injury,let me bring pardon;  
where there is doubt, let me bring truth;  
where there is despair, let me bring hope;  
where there is darkness, let me bring light;  
where there is sadness let me bring joy;  
Lord, grant that I may not so much seek to be consoled as to console;  
to be understood as to understand;  
to be loved as to love;  
for it is in pardoning that we are pardoned;  
in giving to all that we receive;  
and in dying that we're born to eternal life. Amen Amen Amen.

12 May Our Lord God The Holy Trinity Help All Human Fellow Creatures. Amen Amen Amen.

13 Thank you very much for your attention and consideration for the less fortunate human fellow  
creatures in the world. May Our Lord God The Holy Trinity Help All of US so that at the  
Glorious Second Coming of Our Lord Jesus Christ , all of us can hear again with the Greatest  
Pleasure the Teachings of Our Lord Jesus Christ in the Gospel According to Saint Matthews  
Chapter 25, Verse 40 : "The King will reply, 'I tell you the truth, whatever you did for one of the  
least of these brothers of mine, you did for me.'" Amen Amen Amen.

14 GOD BLESS EVERY ONE OF US ON EARTH AND ALL THOSE IN HEAVEN

INCLUDING OUR BELOVED HER MAJESTY QUEEN ELIZABETH THE QUEEN MOTHER AND HIS MAJESTY THE HOLY SEE POPE JOHN PAUL THE SECOND , AMEN,AMEN,AMEN .

15 Within The True and Genuine Love and Care of Our Lord Jesus Christ For Real Peace among All Human Fellow Creatures ,

16 Yours sincerely

PS This **Happiest Children's Day 2008 AD** is Also **The Traditional Chinese Ching Ming Festival**, Therefore, it is The Best Moment For All Human Creatures To **Enjoy The Happy Moments** With Their Children and Grand Children **and Remember The Happy Moments** When They Were Children Themselves Decades Ago With Their Parents and Grand Parents Still Living On Earth and All Those in Heaven. Amen Amen Amen.

Special Children's Day's Prayers To Our Lord God The Holy Trinity so That All of Us Can Learn To Live in Wholesomeness and Healthiness With Scientific Health Education And Healthcare In Line With The Truth in The Ten Commandments .

Amen Amen Amen.

00. Please Be Kindly Invited To Say **The Special Prayers To Our Lord God The Holy Trinity** so that **All Human Fellow Creatures Can Work Together Hand in Hand As A Big Family To Help Our Community As A Whole and As Individuals To Live Up To The Well-Established Hong Kong's Healthcare System** in Which “no one should be denied adequate healthcare through lack of means”.

- That is, We Pray To Our Lord God The Holy Trinity
- (i) For Helping **Each of us as Individual Sinful Human Fellow Creature To Rediscover in Our Human Self-Conscience and The Goodness In The Images of Our Father of Perfection To Follow “The Truth of the Ten Commandments”** so that we can live in “the Truly Wholesome and Healthy Ways”; and
- (ii) For Helping **All Human Fellow Creatures To Follow The Healthy and Wholesome Teachings To Eat Only The Healthy and Wholesome Eatable Foods ; so that,**
- we will never be misled by **Over-Advertised Commercial Promotions To Fall into The Traps of Junk Foods Which Have Led To “Serious Increases of Some Junk-Food-Related Medical Diseases and Syndromes” Among Many Human Fellow Creatures Who Have Loved Eating These Junk Foods For A Long Time ;**
- and Directly (a) **Have Made Billions Dollars of Immoral Profits For These Junk Foods Producers and Their Commercial Promotion Partners, and (b) Millions Dollars of Immoral Taxes For The Governments;**
- and Indirectly **Have Forced “All Human Fellow Creatures Themselves, Their Families and The Government” To Spend Additional Amounts of Billions Dollars of Avoidable Expenditures On Curing “The Said Diseases and Syndromes Closely Related To Eating Too Much Junk Food For Too long Period of Time among the increasing number of Over-Weighted young children, young adults, adults, and ageing adults.” Within The Limited Well Trained Over-Worked Medical Manpower**
- Although **All These Expenditures on (i) Buying Junk Foods and on (ii) Paying The Medical Fees To Cure “The Said Diseases and Syndromes Closely Related With Eating Junk Foods” Have Always Been Regarded As of Great Importance and contributive to “The Monetary GDP Growth in Services Sector and Medical and Education Sector”, it is Also of importance For All SENSIBLE AND RESPONSIBLE HUMAN FELLOW CREATURES to Realize and Understand That “All These Expenditures Are Indeed Avoidable NEGATIVE ASPECTS of GDP Growth”.**
- **If We Can Truly Live in Healthy and Wholesome Ways According To The Scientific Health Education, Then Our Community Can Enjoy The True Happiness of (i) Lower Monetary GDP Growth , and (ii) Lower Fastidious Monetary Inflation Owing To Our Success in “NOT Buying nor EATING Too Much JUNK Foods”.**
- Hence, Fewer Human Fellow Creatures (i) **will suffer from “the Said and Preventable Diseases and Syndromes”** and (ii) **Can Save “The Avoidable Medical Expenditures on Curing The Said Preventable Diseases and Syndromes Closely Related To Eating Too Much Junk Foods”.**
- As a result, Private and Public Expenses on Healthcare **Can Be Successfully**

**Reduced.**

- **Moreover, Our Already Overworked Medical Professionals (i) Will Be Liberated To Take Some Rest and (ii) Will Not Need To Be Forced To Earn The Overtime Renumeration Which Have Proved In Statistics As (a) An Important Negative Factor Leading To Medical Inflating Rates Faster Than Other Professional Inflating Rates, and (b) An Important Negative Factor Leading To Inharmonious Family Lives in Many Committed Medical Professionals Dramatized As Our Beloved and Pitiful Dr Cheng Chi Mei in TVB's Healing Hands.**
- **All in all, Our Community Can Enjoy THE Truth in True Happiness of Wholesome and Healthy Lives With Real Healthy Monetary Deflation and Healthy Negative Monetary GDP Growth Through (i) Our Success in “Reducing The Preventable Diseases and Syndromes” such as “Those Diseases and Syndromes Closely Related To Eating Too Munch Junk Foods”; and Hence (ii) “Reducing Our Avoidable Additional Expenditures on Curing “The Said Preventable Diseases and Syndromes” such as “Those Diseases and Syndromes Closely Related To Eating Too Munch Junk Foods” .**
