**Minutes of the ACAN Sub-committee on
Treatment and Rehabilitation Meeting 1/08**

**held on 18 March 2008 at 2:30 p.m. in the
Conference Room of the Narcotics Division
30/F, Queensway Government Offices**

AGENDA ITEM 6. ANY OTHER BUSINESS

30. **Dr Suan Fan** said that at present psychiatric complications arising from drug abuse were generally not covered by medical insurance plans. In response to the Consultation Document on Health Care Reform released recently, she suggested that the relevant authority should be alerted of the need to provide treatment services for drug abuse under any future health care financing model.
